### ***Old business:***

- Report of 4D sponsorship policy by Kurt Laidlaw. Kurt handed the BOD a 14 point policy for groups wishing sponsorship by the 4<sup>th</sup> Division. There was an amendment to replace the work “it” by group—this was MSP. After discussion by most of those attending the meeting the amended policy was MSP unanimously. The policy will be reported in the Grab Iron and posted to the 4D BOD Yahoo Group.
- The 4D BOD authorized the following individuals to have access to 4D financial account by unanimous vote of the 4D Board of Directors: Superintendent Russ Segner, Treasurer Mike Donnelly, Secretary William Messecar.
- Puyallup Fair Proposal: David reported the show has offered 4D a 20' by 25' space for the 17 day show in September 2015. There are no financial incentives for participation. Other4 issues include staffing a layout for 17 days from 10am to 10pm. We could include modeling demonstrations in our space. The various 4D modular groups were asked to consider if they wish to participate. A final decision needs to be made in April.

### ***New business***

- **Nominating Committee:** JJ gave the nominating committee report. Open positions are two directors positions and the Assistant Superintendent and candidates have been secured. Ballots will be mailed by April 15, received by June 1 and election results reported by July 1. New terms of office begin September 1, 2015.
- **4D Spring Meet:** Russ is checking location in north Seattle to Everett. Costs seem to range from \$2,000 to \$2,500.
