

Mt Vernon NMRA Clinic Newsletter

January 11, 2018

7:00 PM, Thursday, January 11

Mount Vernon Senior Center

1401 Cleveland Street, Mt Vernon

[Click Here](#) for map & directions

The Program

The theme for the January clinic is "Bring Your Own Project". We urge all of you to bring a work in progress to work on during the evening. The tables will be spaced out like we did last year so there will be room to work and room to roam around to look at what others are doing. If you are having a problem with a project bring it, there is a lot of expert experience available to help. If you don't have a work in progress to bring come anyway. As always, you are more than welcome to display your completed models.

All model railroad projects are welcome....wood, metal, plastic, paper or plaster.... structures, rolling stock, electronics, locomotives, layout design, painting, weathering, scenery.

Tool Time, Show and Tell and the Table in the Back

If you've found a tool or gadget especially helpful, bring it in and share it with the Clinic. If you've been working on a project, bring it in as well. If in photo form, let Ted know so he can have the laptop fired up.

We also encourage folks to bring along items for sale or swap, or even "freebies" – we'll have a table for those items in the back.

What's Coming Around the Curve?

January 13-15 Pacific Science Center Train Show, Seattle

February 24,25 [United Northwest Model RR Club's Show and Swap Meet](#)

September 16-19 Great Northern Railway Historical Society Convention, Bellingham

For other NMRA events in the area please refer to the 4th Division Grab Iron, online at <http://4dpr.com>. If you would like to subscribe to the Grab Iron, go to <http://4dpr.com/grab-iron-overview/>.

Arrival & Entry

As a courtesy to the other attendees, please try to arrive before 7:00. If you are unavoidably late, please enter quietly without interrupting the proceedings. We are not permitted to have the main Northeast entry door unlocked nor are we permitted to prop it open. Entry is through the rear door at the Southwest corner of the building which is kept open in the evening.

Sponsorship

The Mt Vernon Model Railroad Clinic is a NMRA sanctioned event. The 4th Division of the Pacific Northwest Region of NMRA provides funding of operating budgets for clinics in the division including ours. Thus, NMRA membership is heartily encouraged. If you are not quite ready to sign up for a full membership, you might want to try the [6-month Rail Pass](#) trial membership for only \$9.95. It includes 6 months of NMRA Magazine, plus all regular member benefits (except voting). Please let Al Carter know at tabooma@msn.com if you wish to join NMRA.

Unsubscribe. If you no longer wish to receive electronic mailings from the Mt Vernon Model Railroad Clinic, please send an email to Tom Buckingham at tom@401kplanninggroup.com.
