

“Basic Scenery”

Ground cover

- Paint plaster with water based Earth color paint.
- Add another coat of paint, and while wet, from a shaker bottle shake a mix of Woodland Scenics dark green, medium green and light green coarse turf.
- Also sprinkle in some filtered – sifted sand and dirt.

Conifer trees

- Pick weeds in the fall.
- In the summer they are a purple flower.
- Use only straight stems.
- Spray paint forest green.
- Spray with hairspray.
- Flock with Woodland Scenics dark green or medium green coarse turf.
- Spray again with hairspray.

Leafed trees

- “Scenic Express”
- Follow the instructions.
- Flock with Woodland Scenics turfs that match Oak, Maple, Alder, etc. for leaves.

Blackberries

- Smoke tree foliage.
- Shape into Blackberry clump.
