

4D PNR 2025 Spring Meet Registration

The 2025 Spring Meet will be held at the Pacific Northwest Railroad Museum in Snoqualmie, WA on May 31st. In addition to clinics, there will be shop tours, the annual membership meeting, introduction of new officers and presentation of the Golden Grab Iron service award. It promises to be a great day. The cost of the Spring Meet this year is \$40, payable upon check-in. The price includes lunch and a train ride to and from the museum from the North Bend Station. There is a possibility that the museum will have its new parking lot available. If so, we will reduce the cost of registration to cover only lunch from Jersey Mike's, which includes sandwich, chips and cookie (\$18). Water will be provided by 4D.
